## A NOTE FROM THE CHEF

*My menu takes inspiration from the wonderful larder that is available to us in the North East of Scotland.*

*We have award winning suppliers who deliver the finest organic meat, eggs, and poultry.*

*Our own gardens produce over 80 different varieties of vegetables and fruit, providing the ultimate 'fork to fork' experience.*

THIS RESULTS IN A MENU WHICH FOCUSES ON CLASSIC, SEASONAL DISHES THAT LET THE QUALITY INGREDIENTS SHINE THROUGH.

PLEASE ENJOY,
